SPORTS & PLAY GROUND

- Our college should act in the capacity of both an intellectual as well as physical activities to develop healthy spirit of sportsmanship in students.
- We provide excellent facilities for indulging in sports and maintaining high physical fitness levels with outdoor sports to development of body, mind and soul.

BUS FACILITY

- We run a well-managed fleet of buses that covers all major routes within the city to provide services between the college and the students pick up and Drop locations.
- The buses run on all working days at different routes availing the transport facility.
- Buses are GPRS fitted and their movements are monitored by the college Transport team. Parents can monitor the movement of their child's bus through an app.

ENVIRONMENT FRIENDLY PRACTICES

- College campus completely runs with GREEN ENERGY and Clean Renewable source SOLAR POWER.
- *Helping the next generation learn about water, conservation and the importance of protecting our precious natural resource by Rain water Harvesting Method.*

APP PROVISION

- We provide PARENT PORTAL mobile app which helps a parent track how well the child is doing.
- Parents can check their child grades for every assignment.
- Helps to track the child's College attendance...
- Helps to Track of Fee Payments and can pay college fees on a single touch.

The notifications pop up on the parent's Smartphone and push parents to get involved in their child progress.

Beyond Boundaries

GUIDANCE CLASSES

CET, NEET, JEE and CPT Guidance classes are arranged to students along with the regular classes to prepare themselves to face competitive exams. The experienced staff of the college helps aspiring students to reach their goals in competitive examinations.

TEACHER-GUARDIAN SCHEME

Parent-Teacher meetings are held regularly to update the performance of the students. Parents are briefed about the activities conducted in the college to keep them well informed. It helps to bridge and increase harmony between the college and parents.

REMEDIAL AND SPECIAL COACHING CLASSES

With the aim of enhancing students' performance and aiding the slow learners, remedial and special coaching classes are organised.

TRAINING PROGRAMMES

In addition to the regular academic programmes, the college provides additional training in other fields.

CAREER COUNSELLING

Experts from various fields like IT, engineering industry, doctors, lawyers, chartered accountants, fashion designers, dancers, musicians, media persons etc are invited to give a talk to the students on their area of expertise.

The students particularly get experience as they are able to relate to their career and understand their motivations.

SOFT SKILLS TRAINING

We provide special training sessions to help the students with developing critical areas like communication skills, presentation skills, interview skills, writing skills and so on.

This helps the students develop confidence and become better equipped to face the challenges of tomorrow.
